ABOUT ME

A **final-year** student from Universiti Teknologi MARA (UiTM), pursuing a Bachelor's **degree** in Multimedia Computing with a current CGPA of **3.44**. Dedicated to developing interactive digital experiences, currently focused on a final-year project focused on designing and constructing a video game that demonstrates technical expertise and creative problem-solving abilities. Seeking an internship opportunity to apply and further enhance these skills while gaining valuable industry experience. Available from **10th March to 13th June 2025**, with a strong commitment to delivering significant contributions to projects in the technology and entertainment sectors. **Own transportation** to move and also work well for a 5- to 6-month internship duration.
